Race Format:

2 x Heats per car – 10 laps

Top 6 shootout – 4 laps

A Main (20 cars max) – 25 laps

- There are no guaranteed hot laps, however at the venue's discretion they may allow 3-4 hot laps prior to the commencement of each heat in the first round of heats. This will be advised at the driver's briefing.
- There will be a maximum of 13 cars in the heat races with each car contesting two.
- The first round of heats will be decided by Pill Draw at sign in.
- The second and third round of heats will be inverted from first round heats, with row swaps.
- Grid Draws will be found at the Joe's trailer and posted in the FB group.
- Prior to going onto the track, it is the Driver's responsibility to check their starting position.
- Each heat will consist of 10 laps, commencing at the first start attempt from the timing system and at the discretion of the Chief Steward.
- Heat points will decide feature race starting positions. Ties will be separated by the fastest lap from heat racing from the timing system.
- The A-Main will be 20 laps or time limited and at the discretion of the Chief Steward. The cars will qualify in their points order (car count dependant).

****As per the Australian Speedway Racing Rules and Regulations rule 4.3.1 -**

Cars should take up their correct position on the dummy grid ready to race before entering the track. The Pit Marshall will cross cars over rows to close up any spaces as a result of scratchings. However once pushed off and on track, if a car is missing from a row then cars in that same row will move up and fill the gap**
